SPY WORLD

We live in a world full of secrets!! Use science to send a message! What are ciphers? Use a rail fence cipher & encrypt with a Cardan grille! Is there hidden data in that picture?

Spy World - Secrets 2/1, 2/8, 2/15, 2/22
\$116

ADDITIONAL TOPICS:

More to Explore: Science never sleeps! Locate slithering ecosystem system engineers! Wolves return! What if you were a twig eater? Who is related to the sitagunda?

Space Missions: Take a short flight into space! Add to our knowledge of what lies beyond the stars! Are the rocky planets just over-grown rocks? Check out the amazing features of Ceres! Each asteroid has a story to tell & dwarf planets are no longer secrets!

Serengeti of the Sea: Add to your knowledge of the realm beneath the sea! Is the cuttlefish really cuddly? Join in this watery adventure & observe the mid-Atlantic ridge! Discover new sharks & marine scientists classify new species! Are they really "new"? Be a beach naturalist & become excited about the opportunities for protecting the oceans of the world!

Join **Spectrum of Science** for exciting & new STEM hands on exploration!
Engineer, Explore, Excite & Engage in science!

All labs include instruction, hands on make & take project & exciting science for kids!
Also includes all District Fees & Supply Fees.
