Walnut
Heights
Elementary

After School Science - STEM

Children need more exposure to science, especially hands on challenges! They learn by doing. Engineer, Experiment & Engage!!! Participate in hands on labs to bring scientific principles & concepts to everyday reality! These are STEM labs in action, designed to inspire & encourage the children & have them asking for MORE Science!!

RUN AROUND RAMSHACKLE PHYSICS!: Let's build round walls! Check out slopes & angles! Collide with cardboard! Here are roofs from temples to castles! Imagine your research station moving! Will your model work? & **STELLAR SPACE:** What can we see out there? Why and how? Participate in some awesome experiments from NASA demonstrating how information from the solar system & beyond is gathered! How is Earth protected from radiation?

Monday

4th & 5th grades
& GATE
2:40 to 3:40 pm

September 11 to
November 6

no class 10/9

\$207 for
8 weeks

HANDS ON
SCIENCE!

Registrations limited!
